1969 Lamborghini Miura S discovery : star of the next Automobiles sur les Champs sale !

Save the date - Artcurial Motorcars
Automobiles sur les Champs sale - 16 October 2022, Paris

In the next *Automobiles sur les Champs* sale, on Sunday 16 October 2022, Artcurial Motorcars will present an exceptional *Lamborghini Miura S* from 1969.

Belonging to the same collector for nearly 50 years, this *Lamborghini Miura S* is being offered with an estimate of 900 000 - 1 400 000 €.

The Artcurial Motorcars team is delighted to announce the discovery of a rare 1969 *Lamborghini Miura S*, found in the Toulouse area. It must be one of the last Miuras to be in the hands of the same owner since 1974!

This exceptional *Lamborghini Miura S* has covered just 52 000 km in its 53-year life. All the numbers (bonnet, boot, doors, chassis, engine) correspond to the numbers it had on leaving the factory. The P400 S remains the rarest of the three production versions, with just 140 examples built.

« What a thrill and a privilege to discover such a well-preserved and well-maintained automotive masterpiece, used so carefully and sparingly by its owner for nearly 50 years. Another fabulous discovery! »

- Matthieu Lamoure,
Managing Director, Artcurial Motorcars
