Press release

7.5M€ for the Automobiles sur les Champs sale !

Artcurial Motorcars
Sale results for 16 October 2022

Enthusiasts and collectors arrived in great numbers to attend this unmissable Parisian event, the latest *Automobiles sur les Champs* sale. The auction realised a total of 7 500 000 M€ with 85% of cars sold after a number of fiercely contested bidding battles.

Following two well-attended viewing days, the trio, Hervé Poulain – Matthieu Lamoure – Pierre Novikoff, once again brought the saleroom to life, beginning with a highly successful sale of *Automobilia*, in particular the Ferrari lots.

This section was 100% sold, achieving three times its estimate.

The star cars on offer changed hands for very strong prices, following international bidding battles. The *1969 Lamborghini Miura S* found a new owner after nearly 50 years for 1 416 000€ and the *1974 Ferrari 365 GTB/4 Daytona* sold for 870 160€. Other Prancing Horse gems included the *1973 Ferrari Dino 246 GTS* which sold for 441 040 € and the *1996 Ferrari 512M*, which made 363 560 €. The *2005 Lamborghini Murciélago Roadster* found a new owner for 382 000 € and the *Bugatti Pur-Sang 35B* for 327 800 €. Finally, a 1970s star, the modified 23-window *VW Combi T1 1600* broke all the records, selling for 192 852€!

It should be noted that the 'Renault Icons' collection sold really well, with huge interest in the *1995 Renault Clio Williams* which fetched 73 904€ and the *Renault Floride* which made 42 912€, also a world record. The display engine was also highly sought after; estimated at 3 000 - 5 000€, it finally changed hands for 65 560€!
